Feb. 27 - HS Information Night for 8th grade at 6:30 p.m.

Straight A Reds' Tickets

The straight **A** program is designed to recognize students who have established a 3.5 grade point average or above for the 2nd nine week grading period. Each straight **A** student will receive two FREE tickets for one of the designated straight **A** dates on the Reds' 2012 schedule. The students can pick up the packets in the high school office. Students are responsible for sending in the forms. The earlier you send in your form, the better chance you have of receiving your 1st choice date. The deadline is

February 27, 2012.

From the Principal's Desk

2012 is moving rapidly. Our students finished the 1st semester and are nearly half way through the third nine weeks. High School guidance counselor Amy Kaiser is busy meeting with various classes to discuss the registration process for next school year. Her schedule for registering is on the back of this newsletter. Your students should be bringing home registration information which will be due back in a couple of weeks. This is an important process that needs careful consideration by you and your child/children. If you have questions regarding this process please do not hesitate to call.

Winter sports at the Fort are continuing in outstanding fashion. The varsity boy's basketball team sports a 12-1 overall record, which includes an undefeated MAC record. This record is good enough for a top three ranking in the state poll. The Lady Indian basketball team's record is also quite impressive at 12-3. Both teams control their own destiny towards MAC championships. As well, the Fort Recovery bowling and swimming teams are finishing up their very successful regular seasons. Junior Nick Noggler bowled a 289 last week only one strike shy of a perfect 300 game. Congratulations to FRHS's newest Hall of Fame members Bob Leverette and Rick Heitkamp.

Our instrumental music departments recently competed in the Solo and Ensemble competition in St. Marys. Our students had a great day garnering eleven superior scores and three excellent ratings. We are quite proud of all of our student-athletes and those representing FRHS in co-curricular events. Thank you for all the support you give your children and please feel free to contact me if you have questions or concerns.

Jeff Hobbs
Principal
