- HS Information Night for 8th grades in the Commons at 6:30 p.m.
- Sports Med. Club Mtg. at 7:30 p.m

Feb. 22-26 - FFA Week

Straight A Reds' Tickets

The straight **A** program is designed to recognize students who have established a 3.5 grade point average or above for the 2nd nine week grading period. Each straight **A** student will receive two FREE tickets for one of the designated straight **A** dates on the Reds' 2010 schedule. The students can pick up the packets in the high school office. Students are responsible for sending in the forms. The earlier you send in your form, the better chance you have of receiving your 1st choice date. The deadline is

February 22, 2010.

From the Principal's Desk

2010 is moving rapidly. Our students finished the 1st semester and are nearly halfway through the third nine weeks. High School guidance counselor Amy Kaiser is busy meeting with various classes to discuss the registration process for next school year. Your students should be bringing home registration information which will be due back in a couple of weeks. This is an important process that needs careful consideration by you and your child/children. National FCCLA week is the week of February 8-12 and The Fort Recovery High School FFA will be sponsoring some fun and educational activities for the elementary students during National FFA Week February 22-26. If you have questions regarding this process, please do not hesitate to call.

Winter sports at the Fort are continuing in outstanding fashion. The varsity boy's basketball team sports a 12-1 overall record, which includes an undefeated MAC record. This record is good enough for a top ten ranking in the state poll. On the individual front, Greg Kahlig recently eclipsed Ken Heiby's all-time individual scoring mark. Heiby's 1418 points had stood as the record since 1969. This is a terrific achievement that will not soon be overtaken and is the result of much hard work and many outstanding teammates. The Lady Indian basketball team's record is also quite impressive at 11-3. Both teams control their own destiny towards MAC championships. As well, the Fort Recovery bowling and swimming teams are finishing up their regular seasons and are getting ready for tournament action.

Our vocal and instrumental music departments have been working at a feverish level to get ready for February 6th Solo and Ensemble competition in St. Marys. Our students will be participating in forty events on behalf of the Purple & White. We are quite proud of all of our students and those representing FRHS. Thank you for all the support you give your children and please feel free to contact me if you have questions or concerns.

Jeff Hobbs
FRHS Principal

2010-2011 FRHS Registration Schedule

Please read carefully: the dates are not in chronological order...
