## Kings Island Trip

The 2010 attendance incentive trip to Kings Island will be on May 27. The buses will leave at 7:00 a.m. sharp and will return approximately at 9:30 p.m. We will be leaving from the middle school parking lot. The cost per student will be \$10. This will be used to offset the cost to the school in fuel and other expenses. Students can begin to bring their payment to the middle school office during the week of May 10th. Students should plan on bringing money for their meals and drinks throughout the day. The trip will run as planned regardless of inclement weather. Eligible students will receive an informational letter providing details of the trip next week.
