OPTIONS:

You can sort titles by author, title, copyright date, etc. by pulling down on unsorted tab box. Then click on sort now. This could take some time depending on the number of hits. In this search, there were 1020 hits. Only 10 hits will show up per screen. Just click on one of the numbers across the top or click on the "next" button.

If you click on a title link, you will get a more-in-depth record.

You can also click on the advanced search and do a combined search, e.g. Reading Counts 4 and books on the subject of baseball. This is more involved. If you would like more information on this, you can always contact Mrs. Pottkotter, the media specialist.
